About the company

■ We were here yesterday We will be here Tomorrow

Ecoreal Asset was founded as RetailFX in 2007 in Tel Aviv, by brothers Yoni Assia and Ronen Assia together with David Ring. In 2010, the firm released the Ecoreal Asset OpenBook social investment platform, along with its CopyTrader feature, that enables investors to copy the network's top traders automatically. Ecoreal Asset's Social newsfeed and a Popular Investor program were later developed on top of this feature. Later that year, the firm released an Android app. Between 2007 and 2013, the company raised \$31.5 million in four rounds of funding. In December 2014, it raised \$27 million from Russian and Chinese investors. In December 2017, it joined CoinDash to develop Blockchain-based social trading. In 2018, it raised a further \$100 million in a private funding round. Overall, more than \$162 million has been invested in the company by investment firms. In 2013, the firm introduced the capability to invest in stocks and CFDs, alongside commodities and currencies, with an initial offering of 110 stock products (which later grew to 3000 financial products). The same year, it was authorized to offer services in the Sweden, under the subsidiary Ecoreal Asset Sweden. In January 2014, the firm added cryptocurrencies to its investment instruments under the subsidiary Ecoreal Asset.online In April 2014, the firm added 130 British and German stocks. In 2017, it launched a CopyPortfolio feature, which enabling investors to copy their referral link from their portfolios for the best-performing referrals. In March 2019, Ecoreal Asset acquired Danish blockchain company Firmo for an undisclosed sum. In 2019 the firm acquired Delta, a crypto portfolio tracker application company, based in Belgium. In 2021, the company reported operating in 140 countries and having 20 million users. The company will operate as Ecoreal Asset and have an implied estimated enterprise value of \$10.4 billion at closing with \$650 million in funding coming from private investment in public equity.

Our Core Values

■ We do things differently

This is why we have an edge over other investment platforms and why we will always stand out among them.

Innovative

We constantly introduces new technologies and upgrades that are designed to achieve both product differentiation and low costs. This conventional approach to market differentiation is to choose between higher value and lower cost.

Enabling

Creating the right culture and nurturing the right leaders are major steps we take toward enabling people to contribute to their fullest potential. However, we have gotten the basics right. That means attracting and retaining the right people—and redeploying them to more suitable roles if necessary—so as to deliver the greatest value to our citizens in the most efficient way.

Guarantee

When you invest in any of our investment plans, you are guaranteed, that our firm will offer a superior value proposition to you also insure you against any unforeseen risk.

Talent

We hire the people who form the culture, every individual brings their own set of values to the organization. These values, together, contribute to a rounded strategy that balances personal bias and blind spots in our organization..

Commercially Responsible

We take environmental responsibility seriously and work continuously to minimise our operational impact on the environment. We implement best practices that reflect our environmental and sustainability concerns. Environmental integrity is fundamentally important to Capital and our suppliers – who are required to equally demonstrate their own commitment and continual improvement programmes.
